

About MassPay: Comprehensive Payout Orchestration & Instant Payouts

MassPay is a global leader in payout orchestration, providing businesses with fast, flexible, and scalable payment solutions that meet the demands of a rapidly evolving digital economy. Our platform solves the complexities of global payments, allowing organizations to focus on growth.

We manage the intricacies of seamless and secure payouts across the globe.

You manage your business.

Global Reach, Local Precision

MassPay facilitates payouts in over 238 countries and markets, supporting more than 70 currencies. Whether your business needs to send payments locally or internationally, MassPay ensures that recipients are paid quickly, securely, and through their preferred method.

We offer extensive coverage across multiple payout rails, including:

-  **Instant Payouts (RTP)**
-  **ACH Transfers**
-  **Prepaid Cards**
-  **Digital Wallets**
-  **Alternative Payment Methods (APMs)**
-  **Cash Pickup**

This broad range of payout options ensures your business can meet the diverse needs of recipients worldwide.

Compliance? Covered.

Our platform is more than just payouts. We deliver a complete global payout orchestration hub including optional KYC and Tax Compliance solutions.

 **Integrated KYC / ID Verification:** Ensuring compliance and security in every transaction with built-in verification tools.

 **Tax Management Solutions:** Simplifying global tax compliance to streamline your payment processes.

By integrating KYC and tax management into our platform, MassPay helps businesses reduce risk, enhance compliance, and improve the overall payout experience.

Key Features of MassPay's Payout Orchestration Platform:

MassPay's feature-rich platform offers the tools you need to manage, scale, and optimize your global payment operations:

Instant Payouts: Facilitate real-time payouts to recipients across various payout rails.

Currency Flexibility: Pay in over 70 currencies and leverage our FX tools for seamless cross-border payments.

A New Recurring Revenue Stream: We make instant payouts a reality for your clients' ... and we create a net new recurring revenue stream for you while doing it.

Customizable Workflows: Build unique, automated payout workflows that meet your business needs.

Compliance & Security: Built-in KYC, AML, and fraud prevention tools keep your transactions secure and compliant with international standards.

Reporting & Analytics: Gain insights into your payout operations with detailed reporting, enabling data-driven decision-making.

Scalable Infrastructure: Whether your business handles hundreds or millions of transactions, our platform scales to meet your needs without compromising performance.

API & Webhooks: Seamless integration with your existing systems for real-time payment updates and efficient payout management.

Why MassPay?

For businesses seeking a comprehensive payout orchestration platform, MassPay offers the ideal combination of global reach, speed, flexibility, and security. Our platform empowers companies to automate, streamline, and scale their payout operations across a diverse range of industries, ensuring that recipients receive their funds quickly and through their preferred methods—anywhere in the world.

Industry-Specific Payout Solutions

MassPay serves a wide array of industries with tailored solutions, addressing the unique needs of each sector. Key industries we support include:

Social Gaming: Payouts to players, developers, and partners across your gaming ecosystem.

Marketplaces: Ensuring timely payouts to buyers, sellers, and service providers.

Affiliate Marketing: Streamlining multi-channel payouts to affiliates around the world.

Gig / Contractors: Supporting flexible payment options for contractors, freelancers, and gig workers.

Creators & Influencers: Fast, transparent payouts to creators in the digital economy.

Restaurants / Hospitality: Instant payouts for tips and earned wages.

Consignment & Retail: Simplifying payments for consignment models and retail partnerships.

Software Development: Supporting global teams of developers and partners with reliable payments.

Direct Selling / MLM: Providing scalable payout solutions for direct sellers and MLM businesses.

No matter your industry, MassPay is designed to simplify complex payment workflows and deliver a seamless payout experience to your recipients.

Experience the MassPay Difference:

Empower your business with instant payouts, integrated compliance tools, and a global payment network that spans over 238 countries and 70 currencies.
